Policy Assistant Gem — Test Results

TC-PA-001: In-Scope Policy Query

- Prompt: How many casual leave days are available per calendar year?
- Expected result: The assistant accurately retrieves the policy's annual casual leave entitlement.
- Actual result: The assistant stated that employees are allowed up to 12 casual leave days per calendar year.
- Status: PASS

TC-PA-002: Out-of-Scope Policy Query

- Prompt: What is the company's maternity leave policy?
- Expected result: The assistant returns exactly: "I'm sorry, but that information is not available in the uploaded policy guide."
- Actual result: The assistant returned the required standard response.
- Status: PASS

TC-EMAIL-003: Professional Reply Draft

- **Test Prompt:** Draft a reply to the most urgent-looking email using your professional tone.
- **Expected Result:** The Gem generates a warm, concise, action-oriented reply that accurately reflects the selected email.
- **Actual Result:** Gemini generated a professional email asking the Support Team to clarify the steps for updating payment details and ensuring the subscription remains active.
- **Tone and Clarity:** PASS
- **Accuracy:** PASS — confirmed against the original email.
- **Email Sent:** No. The draft was reviewed only.
- **Final Status:** PASS

TC-SM-001: Social Media Strategist — Product Launch Campaign

- **Test Prompt:** Plan 3 Instagram posts for this week promoting our new product launch.
- **Expected Result:** The Gem produces three distinct Instagram posts that follow the uploaded Brand Voice Guide and Content Calendar Template.
- **Actual Result:** The Gem generated three posts: Product Teaser, Launch Announcement, and Everyday Hydration.
- **Tone and Brand Consistency:** PASS
- **Content Calendar Structure:** PASS
- **CTA and Hashtag Formatting:** PASS
- **Emoji Restrictions:** PASS
- **Source Grounding:** PASS, subject to final review of promotional wording.
- **Publication Status:** Not published; human review required.
- **Overall Status:** PASS — output meets the main test requirements.
